

Worksheet: A Trip to Orlando

Use the link to the budget hotels site to find a choice of hotels and motels where you could stay. Price range: \$50-\$200 per day. You will need two rooms for three nights.

1 Accommodation in Orlando

1. Try to find accommodation in Orlando. You can work out the cost for three nights and write down the prices in the table below.
2. Give a short description of the hotel or motel you chose. Which local attractions are within reach? What things does the hotel or motel offer?

Name of hotel/motel	Description	Cost (four people)

2 Attractions

3. Find out how much the admission prices are for the following theme parks: **Sea World, Disneyland-Magic Kingdom, Universal Studios.**

Theme Parks: Prices

4. Choose at least three attractions in the theme parks you want to see and say why you would like to go there.

	Theme park	Short description of the attractions I would like to see	Admission
Day 1	Sea World		
Day 2	Disneyland-Magic Kingdom		
Day 3	Universal Studios		

3 Total cost (in US \$): _____

5. Rebekka’s parents need to know how much this will be in euro. Use the link to the currency converter to find out.

Total cost in euro: _____

Möglichkeiten der Präsentation

1. Write a letter to your German pen-friend and tell her about the accommodation and theme parks you have gathered from the internet.
2. Give a short oral presentation about the motel of your choice and about the attractions in the theme parks.
3. Situation: telephone call with the motel manager, ask him about prices/facilities/ location of the motel.
