- 8 The Ministry of Sound nightclub is close to St. Christopher's Inn. right / wrong

Which hotel would you like to stay in?

Why?

Exercise 3: Seeing the sights

Look at the webpages for your group's attractions and answer these questions:

- 1) Is the attraction **open all year** or not?
- 2) What is the price of an **adult ticket**?
- 3) What is the price of a **child ticket**?
- 4) What is the **average length of a visit** to the attraction?

Write your answers in the table below. Talk to the other groups and write down their answers as well.

Group	Attraction	Open all year? (yes/no)	Ticket price (adult)	Ticket price (child)	Average visit length
A	Buckingham Palace				
	Houses of Parliament				
B	London Eye				
	London Zoo				
C	Madame Tussaud's				
	St Paul's Cathedral				
D	Tower Bridge Experience				
	Tower of London				

When you've completed the table, answer these questions:

1. Which attractions are open all year?
- 2.. Which attraction is the cheapest?
3. Which attraction is the most expensive?
4. Which attraction takes the shortest time to visit?
5. Which attraction takes the longest time to visit?
6. You have £20 pounds to spend on sightseeing. Which attractions would you visit?
.....

Exercise 6: Travelling on the tube

In your group, write some directions like the ones in the exercise. Give them to another group. Can they find the correct answers?

Directions (1)

Fill in the gaps!

- 1 You are at station, which is on the line (the line).
- Travel stop(s) [*north/south/east/west*] on the line (the line).
 - Change to the line (the line).
 - Travel stop(s) [*north/south/east/west*].

Where are you?

Now write your own directions!
