

Worksheet: Friendship emergency

What to do

Task 1

- Find a partner to work with.
- Read the four problems below.
- For each problem, try to think of one or two possible solutions. Write your ideas in the column **Your solutions**.

Task 2

- Go to <http://www.pupiline.net/features/friendsfamily/0009231171649.cfm?>
- Read their solutions to the 4 problems. Write their solutions in the column **Pupiline.net's solution**. (Don't copy the whole solution - just try to find one key sentence to write down.)
- Did pupiline.net have the same solutions as you had? Which do you think is the best solution for each problem? If you like, have a class vote to find out which solutions are most popular.

Friendship problems

Problem	Your solutions	Pupiline.net's solution
1 Your best friend thinks (s)he is fat and ugly and nobody likes her/him. (S)He also hates her/his clothes!		
2 You don't enjoy spending time with your best friend anymore, and you never have fun together.		
3 Your friend flirts with your boyfriend/girlfriend. Your friend pays him/her too much attention, and enjoys it when you argue with your boyfriend/girlfriend.		
4 You and your friend always do the same things together - you never do anything new. Because of this, you have silly arguments.
