**Apúntate – Método de español**

*¡Apúntate!* is the new four-volume Spanish textbook series for students from 12 to approximately 15 years of age. The textbook is consistently oriented to the Common European Framework of Reference and covers the A1-B1 levels. It also offers a modern profile of Spain and Latin America. *¡Apúntate!* places particular emphasis in terms of content and method on:

- Intensive training in listening comprehension and pronunciation
- Learning strategies (*destrezas*) involving tasks based on concrete situations
- Practice, practice, practice ... playful, inductive, and always with a view to the everyday experiences of students. Clear headings are included to help users navigate their way through the book.
- Use of new media in the form of small research tasks
- Being geared to the European Language Portfolio and the Common European Framework of Reference, which enables students to prepare for the DELE language examination.

Supplementary materials:

- Cuaderno de actividades with Audio-CD
- Grammatical supplement
- Mi cuaderno de gramática

For example:

**Apúntate student's book 1**

192 pages, softback, numerous illustrations  
205 655 17,50 €

**Español Profesional**

By G. Bürgsens

This course is aimed at young adults and adults with little or no prior knowledge of Spanish who wish to learn Spanish for business purposes. The work comprises two volumes leading to level B1 of the Common European Framework and prepares students for the 'Certificado de Español Comercial' and the European Language Certificate in Spanish.

*Español Profesional* is a communicative language course which from the outset relates language learning to the requirements of business and commercial communication.

The topics include for example:

- Business trips and customer visits
- Company structure
- Company and product presentations
- Meetings and negotiations with customers

The grammar to be learned is presented clearly and concisely in each unit and is consistently linked to communicative goals. The *Lecciones* consistently end with four practise pages offering a variety of exercises and activities to reinforce the vocabulary and language of the unit and to develop communication skills.

The following components are available: workbook, audio CD, teacher's book.

For example:

**Español Profesional Course Book 1**

208 pages, softback, illustrated  
200 884 17.95 €
