

Sichere Wortschatzkenntnisse sind nur zu erreichen, wenn die eingeführten und „gelernten“ Wörter und Wendungen regelmäßig wiederholt, geübt und kontrolliert werden.

Die **Vocabulary Action Sheets (VAS)** ermöglichen – unitweise – eine motivierende Beschäftigung mit dem erlernten Wortschatz: Die Schülerinnen und Schüler entschlüsseln die einzusetzenden Vokabeln mithilfe von Kurzdefinitionen, vervollständigen kurze Beispielsätze, üben Wortschatz nach Wortfeldern, suchen Gegensatzpaare und versprachlichen Bilder. Auf diese Weise wird der Lernwortschatz besser vernetzt und gespeichert, als es durch die alleinige Beschäftigung mit den Vokabellisten des Schülerbuches geschehen kann.

Die sechs vorliegenden VAS enthalten den größten Teil des produktiv zu beherrschenden Wortschatzes aus dem Lehrwerk **English G • Access 6**. Zu den Units 1 bis 3 des Schülerbuches stehen je zwei VAS zur Verfügung. Eingesetzt werden können die VAS jeweils nach Abschluss der Unit.

Die Lösungen sind auf zwei separaten Seiten zusammengestellt.
